

TESTIMONIAL

Sunday, 14 June 2015- Margam- A Bharatanatyam performance by Bhavishya Ramchander, senior disciple of the Bharatham School of Dance, Singapore.

It was my second experience with team Praapthi. In spite of an extremely busy period for them with many assignments, they did a wonderful job organizing our programme. Clarity in communication, perceptive and planned, diligence in delivering on every responsibility undertaken by them, these are only a few strengths of team Praapthi. They did a fabulous job. What makes all the difference is the attitude- friendly, forthcoming and full of fun! Vidhya, Akila and Deva- please accept my sincere gratitude for all your hard work in making our programme a success. I really look forward to working with you on many more occasions. More power to Team Praapthi!
