

Dear Mr Deva,

We would like to thank the Praapthi team and especially Deva and Akila for supporting our First annual day event. You not only showed professionalism but were meticulous with your planning and execution. We look forward to working with you in the future. And in Singapore for any art related event, artists or organizers can look up to Praapthi for completeness of any assignment taken. We wish Praapthi all the very best.

Yours Truly,

Saraswathy and Nithya
