

Dear Mr Devarajan:

I would like to thank you and the team members of Praapthi for your excellent support for my student Vidhya Ravichandran's arangetram. This was the first time the student and the family were involved in organizing a Bharata Natyam program and the guidance and support provided by you helped them a lot.

I am glad that I recommended your company to the parents and would not hesitate to do so in the future for other students. Vidhya Venkat and Akhila provided excellent support for the entire event. Vidhya has also lent her support for many of my previous events and she has been an excellent artistic asset to the program. I wish Praapthi all success and an enriching artistic journey in the future

Sincerely

Siri Rama (Dr)
