Subject: Testimonial - Kiran Arangetram

Hi Deva,

Apologies for the delay in sending this - it had dropped off my radar!

Thanks again for your help & services for Kiran's Arangetram.

We signed on Praapthi to take care of the sound, lighting & venue deco for our daughter Kiran's Arangetram in September 2017. Not only was their work much appreciated by our guests, the Praapthi team's experience in this unique type of event meant we could rely on them completely. But what I valued most is Deva's going beyond the contract, looking out for us and being there as a friend & expert whom I could call for any issue relating to the Arangetram.
