

Bharatanatyam Arangetram

The Jubilee Hall, 9th November 2014

Teacher Smt Bharathi Murthy

From our first meeting to the day of the event, team Praapthi showed us that they were thorough professionals. They are a group of people that knows exactly what it takes to organize a cultural event - from the smallest detail of stage decoration to the larger aspects of presentation such as sound and light. They worked tirelessly to set things up, completed their work on time and were with us every step of the way, helping us make my student's Arangetram a grand success. The thing that struck me the most is that they are wonderful people, genuine in their advice, sincere and enthusiastic in their efforts and so friendly that it was great fun working with them. Kudos to team Praapthi!

My daughter, Ananya, along with her friends Surabhi & Anushika, students of the Bharatham School of Dance, Singapore, had their Arangetram on 9th November 2014 at the Raffles Jubilee Hall.

Praapthi were our Event Managers for this event & they exceeded all our expectations. They were with us from the word go, till after the event. From excellent light & sound management, to stage decor & reception desk management, ushering & back stage arrangements, their service quality was superlative. They topped all this up with loads of enthusiasm.

We are deeply grateful to the entire team & will definitely work with them again. Thank you Team Praapthi. Congratulations on a job well done.

On November 9th, we had our daughter, Surabhi's, joint Arangetram with her friends Ananya and Anushika. The event was a huge success, and for that a large part of the credit goes to the event organiser, Praapthi.

Praapthi's team, led by Deva and supported by Akila and Vidhya, managed the entire 3 hours event, which was attended by almost 400 people with a high degree of professionalism. From taking care of the technical aspects such as the lighting and sound systems to the flower decorations and seating arrangements, Praapthi demonstrated ample organization skills and a sense of ownership that ensured that everything went without a hitch.

We were indeed fortunate to have been introduced to Praapthi and would unreservedly recommend them to others.
