Subject: Thank you

Dear Deva,

We would like to thank you and your team for the excellent support provided at our daughter, Mallika's Arangetram on Nov4, 2017 at The Theatre at Alliance Francaise, Singapore. Ensuring the lighting , sound , stage decor as well as reception decor was well taken care of, for always being accessible with regard to any query as well as being very prompt to respond to queries etc made you and your team a very easy and supportive team to work with. Also most importantly not saying no to anything - working with you took a huge load off our minds.

Thanks Deva to you and your team for all your support and wishing you all the very best .

Regards
Rupa & Shankar
