Dear Deva,

Thank you for providing the excellent event management, sound and lighting support at our daughter Sunena Gupta's Kathak Manch Pravesh on 8 August 2016. It was the first time such an event was being held in Singapore and we could not have been able to do it without your guidance and help. Right from dealing with the UCC staff, to planning the details for the programme, to the actual stage and technical management on the day, you were with us throughout. Moreover, you and Ms Vidya Venkatesh became like family TO US, such was your involvement. Really appreciate it.

Praapthi take a bow for a very successful event management. You are the BEST!

Thank you for being there for us.

Kind Regards

Rachna & Sunil Gupta
