Dear Devarajan

A big thanks to you and your team members who have worked hard and contributed to the successful event on 31st October 2015.

We would like to acknowledge the exceptional efforts put in by Mrs Vidhya Venkat on lighting; Ms Akila decorations and Mr. Devarajan V on sound, stage management and overall coordination. Praapthi team was very supportive, approachable and displayed professionalism in all the activities from the very beginning.

We sincerely appreciate your event management skills, which have certainly made a big difference that we were able to watch the entire performance without any distraction.

Many thanks to you all.

Warm Regards,
Parents of Sankeerthana
