Dear Deva,

Thank you! Praapthi has done a marvelous job at Event Management of the Bharathanatyam Arangetram of our daughter, Shobana, held at UCC Theatre, NUS on the 27th July 2019.

Your professional approach, well-documented procedures, prompt service with a personal touch, tirelessly helping us in making various decisions and arrangements - are truly commendable!

We appreciate the lighting design by Ms. Vidya Venkat, and her involvement to provide for every request from Guru Sreeliji. The stage & reception decorations by Ms. Akila Krishnan were well appreciated. Deva seamlessly handled all stage & sound arrangements on the rehearsal and event days, and we happily enjoyed the concert and took care of our guests!

Thank you so much Deva and team for your invaluable support and for helping in making our special day a grand success!

Best Regards  
Ravi & Suguna
